June 21, 2018

APPOINTMENT OF CHIEF FINANCIAL OFFICER

The Saskatchewan Rivers Public School Division is pleased to announce the appointment of Jerrold Pidborochynski as our new Chief Financial Officer. Jerrold will begin his new role in August 2018 when the current CFO, Dr. Don Lloyd, retires.

Jerrold has been with Saskatchewan Rivers for seven years serving as the Manager of Financial Services and was with Deloitte for 12 years prior. As a Chartered Accountant, Jerrold brings a wealth of knowledge and experience to the role of the CFO. Jerrold has also served on the executive of the Saskatchewan Association of School Business Officials and on various Ministry of Education committees in the recent years and he brings that experience and professional networks to his new role as well.

Prince Albert has been home for Jerrold's whole life and he and his wife Tara have made their home here. Their two children, Ryan and Anna, attend École Vickers Public School and provide opportunity for Jerrold and Tara to be well involved in the community in many ways.

Jerrold is excited to bring his passion for leadership and sound fiscal management to the CFO position where he will have a strong influence on the success of the students, families and staff in the Saskatchewan Rivers Public School Division. The Board and Senior Admin look forward to having Jerrold assume his new role as we continue to provide excellence for every learner.
