System Administrator

Greater Saskatoon Catholic Schools invites applications for a full time, out-of-scope Information Technology System Administrator.

Reporting to the Manager, Technology Services, this position is responsible for the effective provisioning, installation/configuration, operation and maintenance of server systems hardware, software and related infrastructure.

This is a two-year contract with the possibility of an extension.

Preferred qualifications include:

- University Degree in Computer Science or equivalent experience.
- Experience administering Windows servers in an enterprise environment, including SCCM, DPM, Office365 tenancy management and Azure.
- Experience working with virtualized servers.
- Experience with Hewlett-Packard servers (blade and standalone) and storage systems or demonstrated experience with similar non-Hewlett-Packard devices.
- Experience working with hyperconverged infrastructure.
- Demonstrated analytical skills for problem solving and trouble shooting.
- Demonstrated ability to work independently.

Candidates seeking this position must complete the on-line application process <http://www.applitrack.com/gscs/onlineapp/> – Job Opportunity 1484. Applications and any other documentation are to be submitted on or before October 4, 2019.

Applicants are invited to make contact with Human Resource Services humanresource@gscs.sk.ca with technical support questions.

Greater Saskatoon Catholic Schools is committed to achieving and maintaining a workforce, which reflects and affirms the diversity of our school division. Applications are encouraged from First Nations and Métis candidates.

Only those selected for an interview will be contacted.
