

Regina Public Schools

Deputy Director of Division Services/CFO

Regina School Division No. 4 of Saskatchewan (Regina Public Schools) is one of the largest school divisions in the province. The Deputy Director of Division Services/CFO is part of the executive leadership team in Regina Public Schools, aligning and integrating efforts within the Division Services portfolio to support student success and chart a sustainable future course for Regina Public Schools.

Working closely with the Director of Education/CEO and Deputy Director of Student Achievement, the Deputy Director of Division Services/CFO supports Regina Public Schools' mission and strategic direction through planning, directing, and overseeing non-instructional support services. This position defines and models a culture of innovation and a focus on solutions, and aligns people, processes, and resources to achieve the Division's outcomes.

Ideal candidates will have an undergraduate degree and a graduate degree in business administration, public administration or related discipline or an undergraduate degree and a professional accounting designation. A minimum 10 years of successful, increasingly senior, and diverse leadership experience in a public-facing organization is required.
