

SASBO STRATEGIC PLAN 2026-2031

VISION STATEMENT

SASBO will be a valued and respected partner and engaged contributor in the PreK-12 education sector in Saskatchewan.

PURPOSE

Saskatchewan Association of School Business Officials (SASBO) foster collaboration, integrity, and professional excellence among school board officials and partners, strengthening publicly funded education in PreK-12 education in Saskatchewan.

SASBO IS COMMITTED TO:

Collaboration: -Mentorship, and collegial support for members
-Key advisors in the education sector

Integrity: -Diversity of skills and expertise
-High standards of professional conduct
-Transparency and accountability

Learning: -Continuous professional development and growth

Relationships: -Strategic alignment and productive partnerships
-Expand our voice, impact and involvement in education related matters

SASBO will be meaningfully engaged by, and with, educational partners on provincial policy and plans for PreK-12 education in Saskatchewan.

Advise on developing business and education matters related to PreK-12 education.

Provide recommendations to local school boards and the Ministry of Education on the effective implementation of new initiatives and policies.

Develop and maintain relationships with Indigenous partners and colleagues.

SASBO will continue to optimize our organizational effectiveness and support our functional teams.

Maximize the use of technology within the organization by ensuring value added information is easily accessible and shareable

Provide growth opportunities to support preparedness for taking on leadership and executive opportunities

Engage the current membership to provide feedback and guide actions that SASBO can take to better serve our members.

SASBO will provide school business officials with quality professional learning, leadership, and networking opportunities that support their professional growth.

Develop a leadership development program and refine our mentorship program.

The Leadership Committee will continue to coordinate the work of the programs and conferences of the association.

Continue to offer a meaningful orientation session for new members
